

Greetings. My name is Jennifer Lackey and I am the Director of Children's Miracle Network in the Rocky Mountain region. Each year, our organization partners with KALC, an Entercom station in Denver, to raise funds for our local children's hospital. For three days, KALC breaks from their regular format to share the stories of the children who have benefitted from the services of The Children's Hospital in Denver. All of these stories are local (Colorado and Wyoming) stories that directly impact our local community. The purpose in relaying this information to you is to demonstrate the local commitment that this outstanding station has to their community. If you would like any additional information, please feel free to contact me.

Warmest regards,

Jennifer Lackey
